Dear Keshia,

You can make a difference by giving through the Charter University F

Together with other alumni and friends, your generosity helps to make a Charter education possible for the many leaders and educators in training here. No gift is too small!

Every gift matters and helps us improve our academic resources and opportunities, both inside and outside the classroom. **Your generosity now** will help the Charter community finish the fiscal year end strong on April 30.

Thank you for your consideration and support!

Gratefully,

John Johnson

Vice President for Advancement and University Relations
